Discount Compactor Wheel Solutions brings a standard of excellence to the highly competitive weld-on tip market. The Caron Z-Cleat is designed to provide both traction and compaction in a wide range of landfill conditions where a weld-on tip is required. We build the Z-Cleat with the same quality and commitment to maximize the performance of all of our cleats. Call us for complete details!

AVAILABLE FOR MOST LANDFILL COMPACTOR WHEELS
INCLUDE CAT, AL-JON, BOMAG AND REX/CMI

CAT is a registered trademark of Caterpillar, Inc.
